

myPRO

Smart Professional Foldable Steam Ironer

Especially designed for small businesses.

The machine with a Professional heart, on a sensible budget, boasting benefits from a professional design. Maximum productivity while ironing in comfort thanks to special programs and ergonomic design.

Benefits and features

■ **Superb productivity and performance:**

- Heated surface 850 mm in length, open on both sides, for easy ironing of large fabrics
- Long lasting steam production thanks to the high capacity water tank (1.9l nominal, 1.4l actual)

► **Outstanding flexibility and garment care:**

- Meet every need with 5 temperature settings
- 3 steam settings, with continuous or on demand production
- Full control of roller speed with flexible foot pedal

► **Trouble-free operation:**

- Foldable, perfect even for the most compact laundries
- Casters for easy movement
- Plug-and-play installation
- Easy and fast water tank filling
- Iron while sitting or standing

► **High quality construction:**

- Professional grade stainless steel work top

Accessories

- Water softener cartridge
- Cotton roller cover
- Cotton roller padding

Perfect for small operations such as

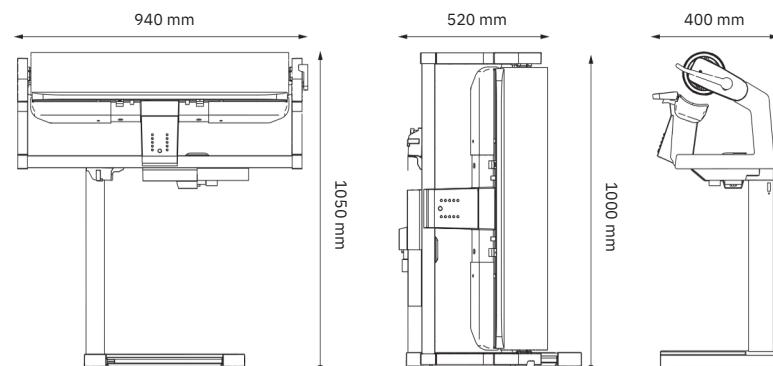

- Small hotels and bed & breakfast
- Small restaurants
- Hairdressing and beauty salons
- Sports and fitness clubs
- Out-of-home resident services
